Plan Plan to do today

Deal with the 2 weakness points found in the review:

1. what's the direct benefit? The hotel manager cares direct income.
2. how to implelement? Deliver a non-technical implelement for the hotel manager.

Deal with the confused point found in the review:

1. what priority should be?

Do Work you did today

Designed 2 scenarios so that the hotel can directly benefit from the new functions.
Update WhatIs and ReleaseNote, especially the priority.
